RE: Masonic Charity Foundation Updates – April 2013

We will soon reach the sixth anniversary of our Acacia Hospice. This program provides end-of-life care for our Masonic Home residents as well as for individuals in the community who live in Burlington, Camden and Mercer Counties. Hospice receives referrals as well as requests for information 24 hours a day, 7 days a week. Simply dial 609-589-4444 or visit www.acaciahospic.org for more information.

All brethren recently received a mailing asking for financial support for Acacia Hospice. These donations will be used to help provide hospice care for those who are unable to pay for these services. Donations of \$50 or more receive a copy of the "Five Wishes" planning guide.

The Masonic Charity Foundation's vehicle donation program continues to generate funds to support our Masonic Home residents. There are no costs associated with a donation, and pick up is usually completed within 72 hours. Call 888-71-MASON (that's 888-716-2766) to donate a vehicle, or for more information.
